Property information sheets

Message from Brenda

"Thanks to all the AVERT households who have returned their updated Property Info Sheet. For the few remaining please bring them to the BBQ/picnic so that we can finalise our update. If you have a problem with it (seems plan drawing is not everyone's cup of tea) I will be very happy to help, or do it for you. This is such a valuable resource, which was started at AVERT's inception and forms an integral part of our Emergency Response information.

I can be contacted on 5269462 and am happy to help.

Regards, Brenda Mills 1292 Akatarawa Road"

AVERT EQUIPMENT

Message from Joe

The next regular equipment check will take place at Joe's on Sunday 3 February at 10am rather than on Waitangi Day. All members are welcome to attend to familiarise themselves with the equipment, how it operates, and how to maintain it.

AVERT SUBSCRIPTIONS

Message from Mark

There are still a few subscriptions outstanding for this financial year 2012-2013. A reminder will be put in your letterbox if you fall into this category, and your early attention to paying the overdue sub would be appreciated.
